At Hawthorne, we have the expectation that all students will **SOAR!**

- Be **S**afe
- Be **A** learner
- Be **R**espectful

We recognize students every month at our SOAR awards assembly.

### **Home visit program**

At Hawthorne, we know how much your child means to you and together we can make it the best year possible for them. To welcome and meet new families, we participate in a home visit program. An educator visits your home for 20 minutes, gets to know you and your child, and talks about what our school has to offer. You will be contacted by a staff member to set up a time for this voluntary visit.

**We are grateful that you are joining the Hawthorne community!**
